KEEPING CONNECTED NEWSLETTER

SPRING 2026

Hello Everyone

It comes to me to welcome you all to the new look and the new name. What a busy time it has been! Members voted on the new name, Caring Together North Yorkshire, at the AGM back in November 2025. Since then, we have been working full on with a website designer, local publications and leaflet designer to be ready to launch at the start of March 2026. We really hope that you like what you see and understand that both other names would not work across Ryedale and Whitby area. It has been a monumental task, liaising with the Charity Commission, HMRC, our bank and so on - those organisations you only contact when you really have to! We hope to be visible across the coming year with something happening every month so please do keep an eye on the website, Facebook, and the updates in these newsletters. Thank you for your patience during this transition, and we look forward to seeing you over the coming months.

Best wishes,

Ann Ferguson

SPOTLIGHT ON ...

CARING TOGETHER NORTH YORKSHIRE

We have been busy using this 'relaunch' as an opportunity to spread the word about what we do:

- Look out in your local press for articles and advertising launching our new name and well-established services - Esk Valley News, Gazette & Herald, Handy Mag Ryedale, Whitby Advertiser

- All of our March events will be attended by one of our Trustees, to explain and introduce the changes to those using our services

- Our new website is up and running. Do take a look at **caringtogethernorthyorks.org.uk** and let us know what you think!

- Our Facebook page will soon be renamed as Caring Together North Yorkshire. Now's your chance to follow us if you do not already do so 😊

- We have new leaflets and flyers to promote our services to those who may benefit and to people who may wish to volunteer. Do get in touch if you know somewhere we could share our message more widely.

- Our staff team will soon be sporting t shirts, fleeces and lanyards with the new name and logo. Very smart ...
